Autonomy of sung-tao :

We choose boarders to be leaders for develop students' good character such as following the rules of the dorm, being gregarious, self-discipline and exercise autonomy. We will hold a meeting once a semester in order to let boarders discuss their opinions about how to improve the environment of the dormitory. We hold lots of activities (e.g. movie watching and consultative speech) and encourage boarders to be volunteers for facilities maintenance. They can improve the quality of living in the dorm and have chance to keep their bed space for next semester.

The information counter on the 2nd floor of 2nd hall opens for 24 hours a day, 7 days a week during the whole semester, which provides security maintenance, receiving/dispatching mails, leaving/lending things and the other problems.
